

A man in a blue and white striped shirt is standing next to a train, looking at his phone. The train is dark blue with white stripes. The background is a blurred city street.

**Every day administration talk  
about the art but forget the real  
problem.....**

**CRISIS!**

**Today we will talk only about housing in crisis**

## **HOME BECOMES MERCHANDISE**

Bank, cooperative and few rich people buy all the city and build everywhere and use this basic need to make profit

This is possible because the Italian government made law for this person

Example Law 431/1998

## **CONSEQUENCE ?**

In florence “emergency” increase every year!

- City is a shop window only for the tourist
- Work isn't certainty
- Rent is about 1000 euro
- Evictions are more than 1000 every year
- Many building are empty
- Many family are without house

# Our actions are:

- Help people to organize together eviction resistance
- Occupy the empty building
- Free Italian classes for migrant

# Who compose the movement ?

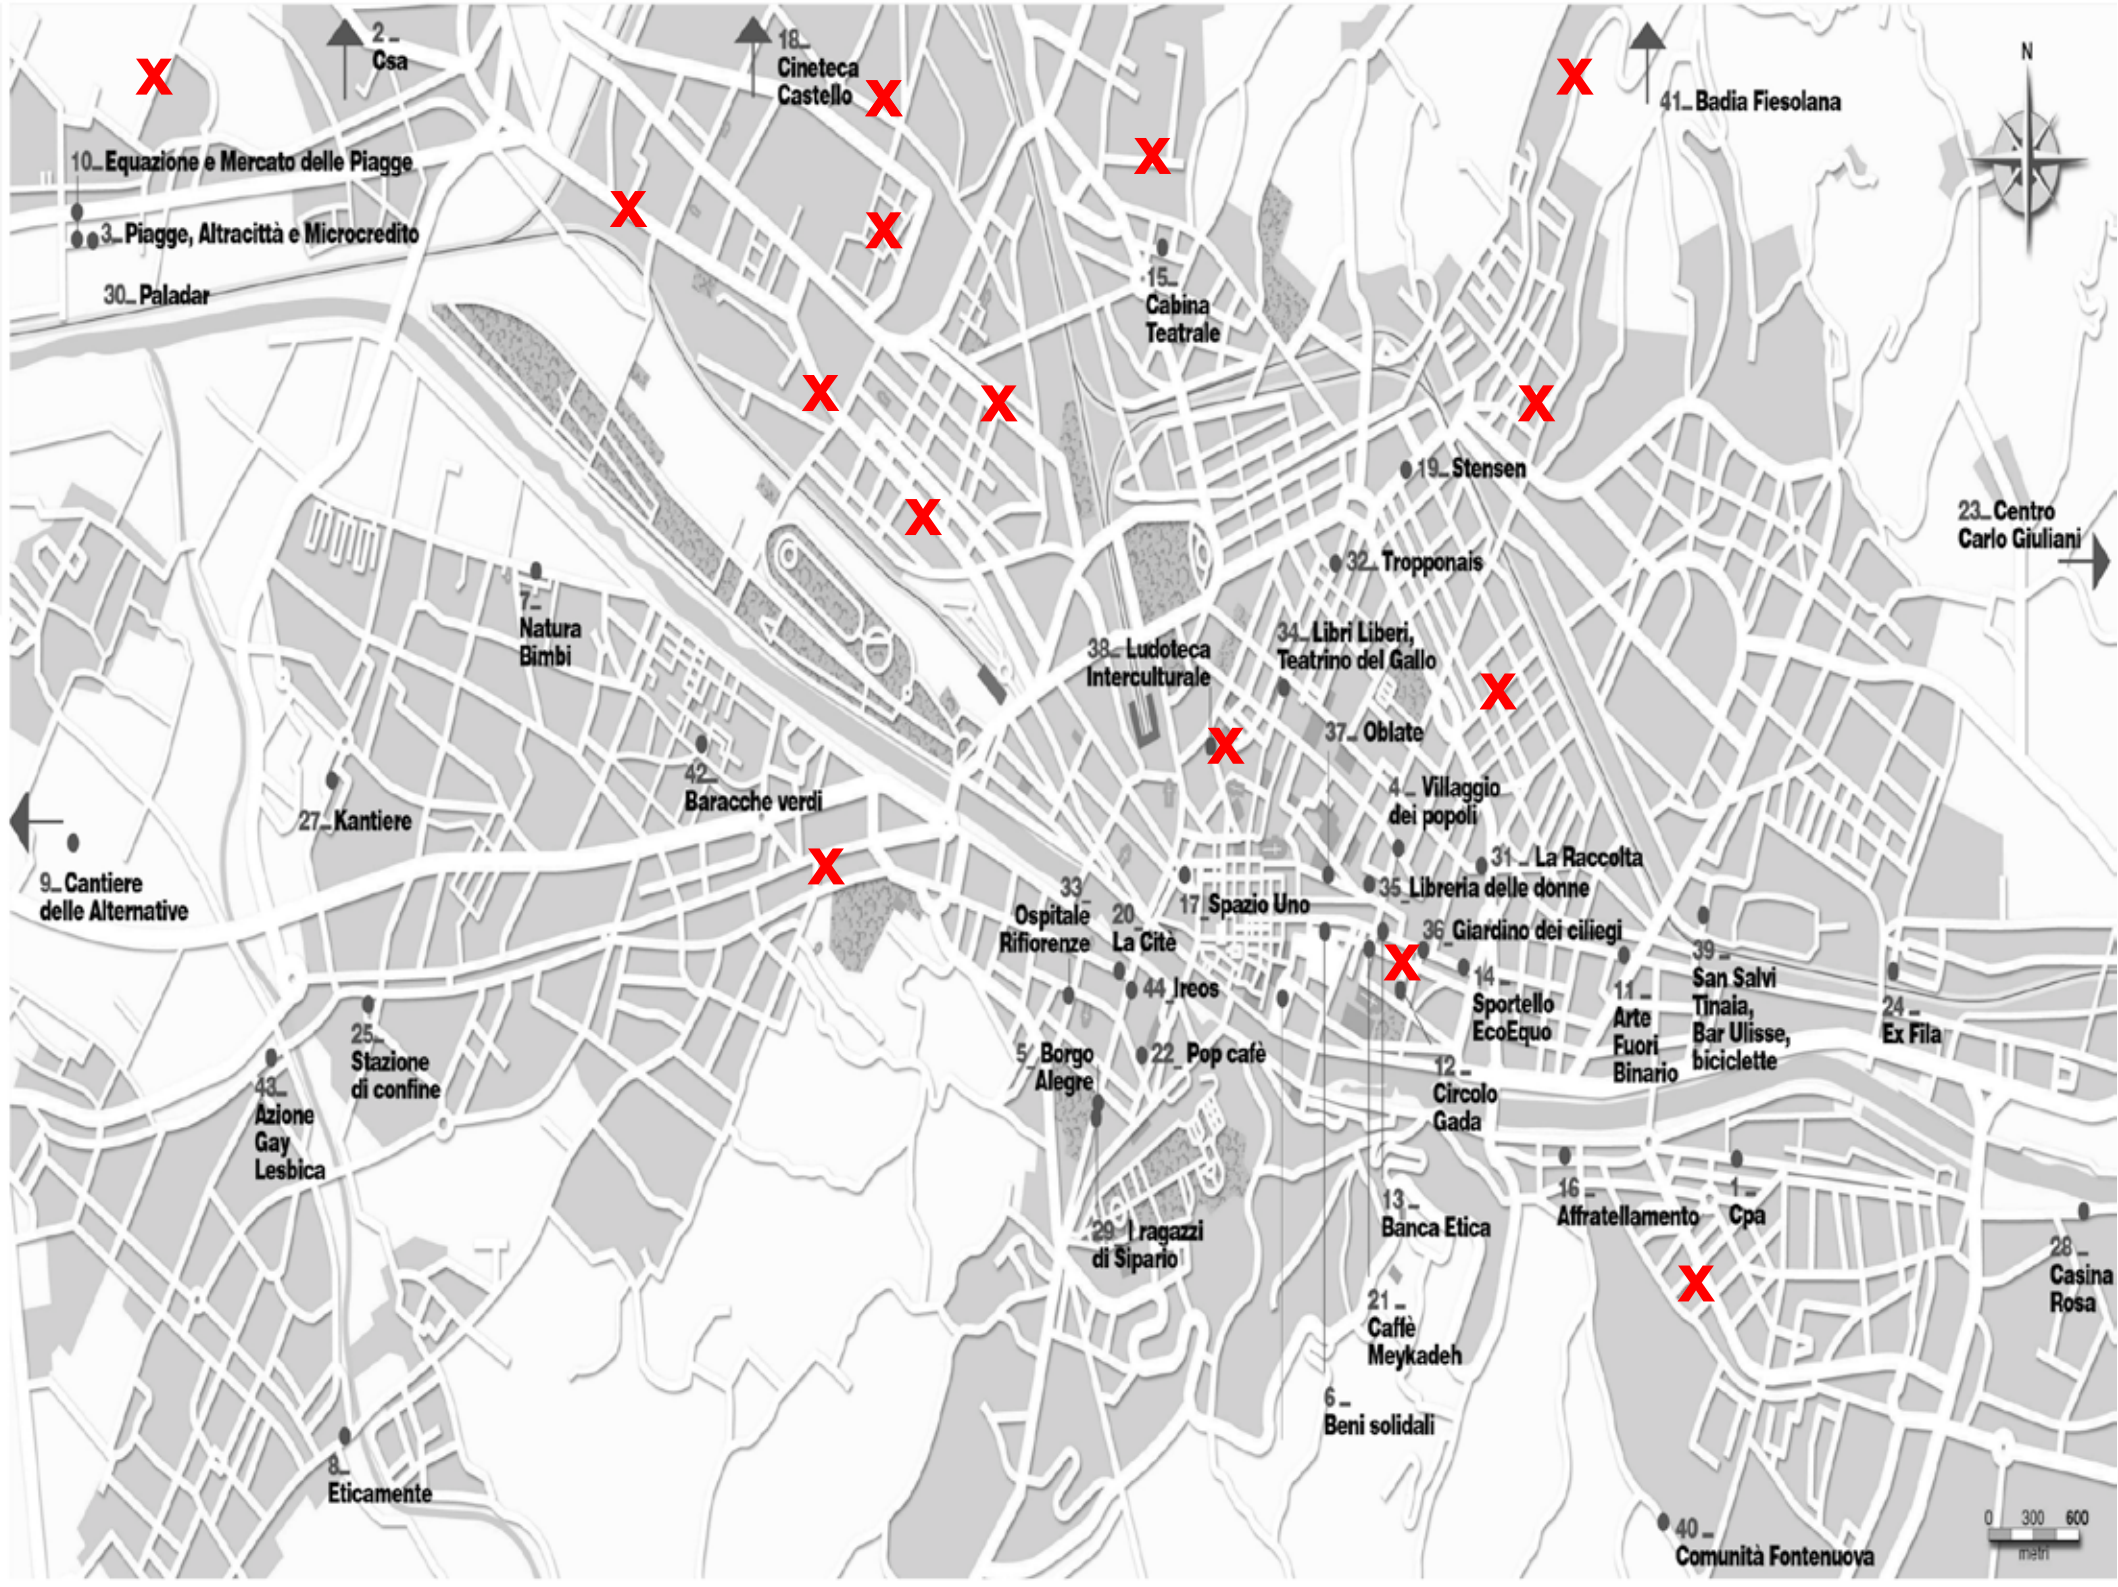

- Migrants
- Refugees
- Italian precarious
- Students
- Militant
- In the last year also italian family...

**WE ARE MORE THAN 1000  
OCCUPANTS, WE NEED  
ORGANIZATION !**

**EVERY DECISION CAME FROM MEETING**

# SELF-FINANCING
